TERMS & CONDITIONS

Lead Times

Quoted lead times are estimates from the date of signed approval and receipt of deposit. Manufacturing and shipping schedules are subject to change and are not guaranteed. Level5 is not liable for delays caused by manufacturers, carriers, or supply-chain conditions.

Pricing Validity

Pricing is valid for 30 days from the invoice date unless otherwise stated. After that period, pricing is subject to re-quote.

Freight & Fuel Surcharges

Freight is estimated at the time of quoting. Carrier rate increases, fuel surcharges, accessorial fees (liftgate, inside delivery, limited access, redelivery, or storage) will be invoiced as incurred.

Change Orders

Any change to scope, quantities, finishes, or specifications after approval must be authorized in writing and may affect pricing and lead time. Change orders and additions are billed separately.

Payment Terms

A deposit is due upon approval; the remaining balance is due prior to delivery or per the payment schedule on this invoice. Past-due balances may accrue interest at 1.5% per month. Card and ACH processing fees, where applicable, are shown at checkout.

Cancellation & Returns

Custom, made-to-order, and special-order items are non-cancellable and non-returnable once released to production. Approved returns of stock items may be subject to manufacturer restocking and freight charges.

Delivery & Site Readiness

Client is responsible for providing clear, safe, and accessible delivery areas, adequate loading access, elevator reservations, and a prepared, level floor. Standby time or return trips due to site conditions are billable.

Damage Claims & Inspection

Shipments must be inspected on arrival. Visible damage or shortages must be noted on the delivery receipt and reported to Level5 within 48 hours; concealed damage within 5 business days. Claims outside these windows may be denied by the carrier.

Warranty

Equipment carries the manufacturer's warranty only. Level5 makes no additional warranty, express or implied, including merchantability or fitness for a particular purpose. Warranty claims are administered through the manufacturer.

Taxes & Permits

Sales and use taxes are the responsibility of the client unless a valid exemption certificate is provided. Permits, inspections, and code compliance are excluded unless expressly listed.

Title & Risk of Loss

Title to goods remains with Level5 until payment is received in full. Risk of loss transfers upon delivery.

Force Majeure

Level5 is not liable for delays or failures caused by events beyond its reasonable control, including acts of nature, labor actions, tariffs, or transportation disruptions.

APPROVAL & ACCEPTANCE

By signing below, the undersigned approves Invoice HOF-EQUIP-001 as presented, authorizes Level5 to proceed with the scope and quantities listed, and agrees to the Terms & Conditions above.
